ANNOUNCEMENTS.

For Congress.

We are authorized to announce W. J. Fields of Carter county, as a candidate for renomination as Representative in Congress from the Ninth District, subject to the action of the August primary.

Butter is being sold in Leeds, England, at 47 cents a pound and in consequence many people are turning to margarine at 20 and 24 cents a pound. People in the middle classes, as well as in the laboring classes, are now learning to use it.

FOR TIRED SCHOOL CHILDREN.

Boys and girls who have been bending over their desks for weeks and months, and often studying at home late into the night, get into a weak, nervous, run-down condition, and wise mothers will take the advice of our local druggist, Peacor Drug Company, and give such children Vinol, because it is a non-secret preparation which contains the three oldest tonics known, and is guaranteed to strengthen and restore health to weak, overworked, run-down people, and to cure chronic coughs, colds and bronchitis, or you can get your money back.

Nice shiny bugles may be bought very cheaply in Manitoba, where a large consignment intended for the troops has been cast aside because in a wee sma' nook on the inside has been found these words: "Made in Germany."

OF LOCAL INTEREST

Some People We Know, and We Will Profit By Hearing About Them.

This is a purely local event. It took place in Maysville. Not in some faraway place. You are asked to investigate it. Asked to believe a citizen's word. To confirm a citizen's statement. Any article that is endorsed at home is more worthy of confidence. Than one you know nothing about. Endorsed by unknown people. Mrs. Dora Mefford, Maysville, says: "I had been feeling poorly for some time before I knew that my kidneys were at fault. I was nervous and dizzy and my back and head ached. I rested poorly and mornings I was all tired out. I read in a local paper how a neighbor had been cured of kidney trouble by Doan's Kidney Pills. I used them and before long I felt stronger and better and I slept good at night."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Mefford had. Foster-Milburn Co., Props., Buffalo, N. Y.

CARLSBAD SPRINGS WATER BOTTLED UNDER SANITARY CONDITIONS.

The pure food and drug law passed by Congress in 1906 has accomplished wonders in eliminating many quack medicines and so-called mineral waters from the market.

The Government has inspectors who take up samples of drugs and waters and if they do not come up to certain standards as laid down by law, they are put out of business.

The Kentucky Carlsbad Springs Co. is trying to meet every requirement of the Government by installing modern sterilizing plant, filtering system, and in every way to do all in their power to see that every bottle of Kentucky Carlsbad water is placed on the market in perfect sanitary condition. Many druggists are selling waters bottled in Grant County to the public as being the same as Carlsbad because they pay less and their profits are greater.

Carlsbad water as bottled at Dry Ridge, Ky., is the only water bottled in Grant County under these sanitary conditions, coming from nature's laboratory at the depth of 1,100 feet, giving the most wonderful health-producing properties for all forms of stomach trouble, Bright's disease, diabetes, constipation, liver, kidney and bladder disorders, and by coming direct to the springs for the healing baths, every form of rheumatism is treated with remarkable success.

Kentucky Carlsbad Springs water is placed on sale at leading druggists in cases of three gallons to each case; also containing a bottle of concentrated Carlsbad water that can be used in extreme cases of habitual constipation. The Kentucky Carlsbad Springs Hotel Co. owns and conducts a hotel and sanatorium at Dry Ridge, Ky., where all diseases are treated as mentioned and absolute satisfaction is guaranteed to all patients. If you have never used Kentucky Carlsbad Water call on your agent whose name appears below and give it a trial. If it fails to do you good, your MONEY WILL BE REFUNDED. Write the Kentucky Carlsbad Springs Hotel Company, Dry Ridge, Ky., for information, rates and booklet.

"Hop, the Devil's Brew," is a dramatic portrayal of the secret methods of the opium traffic, written by Rufus Steele, the famous Saturday Evening Post author, and presented by the Bluebird photoplayers, the same people that produced "Undine." See the sensational smuggling scenes and the work of the U. S. Secret Service officials, produced under the supervision of United States government officials. WOMAN AVOIDS OPERATION

Medicine Which Made Surgeon's Work Unnecessary.

Astoria, N. Y.—"For two years I was feeling ill and took all kinds of tonics. I was getting worse every day. I had chills, my head would ache, I was always tired. I could not walk straight because of the pain in my stomach. I went to a doctor and he said I must go under an operation, but I did not go. I read in the paper about Lydia E. Pinkham's Vegetable Compound and told my husband about it. I said 'I know nothing will help me but I will try this.' I found myself improving from the very first bottle, and in two weeks time I was able to sit down and eat a hearty breakfast with my husband, which I had not done for two years. I am now in the best of health and did not have the operation."—Mrs. JOHN A. KOENIG, 502 Flushing Avenue, Astoria, N. Y.

Every one dreads the surgeon's knife and the operating table. Sometimes nothing else will do; but many times doctors say they are necessary when they are not. Letter after letter comes to the Pinkham Laboratory, telling how operations were advised and were not performed; or, if performed, did no good, but Lydia E. Pinkham's Vegetable Compound was used and good health followed.

If you want advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass.

HELEN KELLER "HEARS" CARUSO.

Atlanta, Ga., April 26.—Enrico Caruso sang for Helen Keller here yesterday. In Miss Keller's room at a local hotel the famous tenor, with tears in his eyes, sang the song of the blinded Samson from "Samson and Delilah," while the blind and deaf woman touched his throat and lips with her finger tips.

The first President born in the United States after the signing of the Declaration of Independence and the establishment of national unity was Martin Van Buren, who was born in the state of New York in 1782.
